

CITY OF  
*Lethbridge*

February 23, 2010

**TRAFFIC SIGNALS MANAGER**  
Posting #10-23

*Lethbridge (www.lethbridge.ca) is one of the warmest and most sun-filled locations in Canada. Our affordable, vibrant community of over 85,000 is located two hours south of Calgary and close to the Rocky Mountains and the U.S. border. With many of the amenities of a larger centre, Lethbridge offers an affordable lifestyle with a maximum cross-town commute of about 15 minutes. The City of Lethbridge invites you to join our diverse and innovative organization which offers individuals the opportunity to make a positive contribution to our community.*

The Transportation Team strives to deliver a multi-modal transportation system that is safe, efficient and effectively supports the economic growth and well-being of the Community. Under the general direction of the Transportation Manager, the *Traffic Signals Manager* will provide leadership, guidance and direction to the traffic signals group including contractors and consultants. The major responsibilities for this position will include overseeing design, installation, operations and maintenance within the following areas: traffic signal control systems including pedestrian controls, illuminated signs and intelligent transportation systems. Responsibilities also include street lighting (budget, design approvals and rehabilitation); developing policies, standards and guidelines for traffic control systems; human resource management; and budget/financial management.

The ideal candidate will be a Civil/Electrical or Mechanical Engineer who:

- Has demonstrated skill and experience leading a group of engineers, technicians and electricians in building and maintaining traffic signal systems.
- Brings 10 or more years of experience and knowledge of traffic signal systems.
- Is eligible for membership in the Association of Professional Engineers, Geologists and Geophysicists of Alberta (APEGGA).
- Has a proven ability to effectively collaborate, lead, interact and establish relationships with people, groups and teams of significant diversity and interests.
- Has some experience in street lighting.
- Possesses sound project management experience and skills and is able to work independently and as a member of the transportation team.
- Has demonstrated effectiveness with written and verbal communications skills.

Come and discover what makes Lethbridge such a great place to live and work! Salary will be commensurate with skills, abilities and experience, accompanied by an enviable benefits package.

For additional information on this opportunity, please contact Darwin Juell, Transportation Manager at (403) 320-4181 or [darwin.juell@lethbridge.ca](mailto:darwin.juell@lethbridge.ca).

Your resume and cover letter (**quoting posting #10-23**) may be sent by mail to Human Resources, City of Lethbridge, 6<sup>th</sup> Floor-City Hall, 910 – 4<sup>th</sup> Avenue South, Lethbridge, Alberta, T1J 0P6; by email to [humanresources@lethbridge.ca](mailto:humanresources@lethbridge.ca) ; or by fax to (403) 320-9369.

**Submissions will be accepted until Friday, March 26, 2010, at 4:30 p.m.**

*All individuals are thanked for their interest, however only those candidates being considered for interviews will be contacted.*
