

SIGNS OF THE MONTH

These routes go the wrong way on a one-way!?!?!?

Submitted by Brent L. James, Transportation Designer

Nevada

PHOTOS OF THE MONTH

Who says Rhode Islanders can't drive?

Submitted by Jim Suzman
Smithfield, Rhode Island

Here are two pictures of the same piece of conduit. This was the "Fix" I found in the field when I got there on a broken conduit for a signal. There are (2) construction grade stakes, held on by some zip ties, then wrapped in black tape (not very well), with old signal wire wrapped around all that. SOME MESS!!
