Republic Electric is a service company with a core business of streetlight and traffic signal maintenance. We are by culture, customer focused, entrepreneurial, and growth-oriented. Our traffic signal/street light maintenance contracts typically encompass all aspects associated with the maintenance, repair, and replacement of traffic signals and streetlights.
The City of Mesa, AZ invites you to apply for the position of Traffic Signal Technician. With a population of more than 440,000, Mesa is 15 miles east of Phoenix & covers 128 square miles. A Traffic Signal Technician performs skilled work in the installation, maintenance, and repair of electrical and electronic traffic signal control devices and systems.

Requirements:
- Graduation from High School or GED preferred
- Requires any combination of training, education, and experience equivalent to considerable (from 3 to 5 years) traffic signal maintenance experience, or an Associate in Applied Science Degree in Electronics Engineering Technology (or educational equivalent) from an accredited college or university
- At least one year of traffic signal maintenance experience, with either requirement, experience in maintaining microprocessor-based instruments, TSII Type I controllers, basic knowledge of PC operations, and optical pre-empt devices, including telemetry equipment is preferred
- Must possess a valid Arizona Driver’s License and a valid Arizona Class B Commercial Driver’s License (CDL) Instructional Permit by hire date. The skills demonstration portion of the CDL test must be completed within 120 days of hire date and will be administered by a City of Mesa Third Party Tester
- Must possess an International Municipal Signal Association (IMSA) Level II Traffic Signal Technician Certification (Electronic or Electrical) within one year of hire date
- Must live within a fifteen-mile radius of the intersection of Main Street and Greenfield Road within one year of hire date.

Mesa offers a competitive benefits package. A City of Mesa application is required. Applications will be accepted until a sufficient number have been received. Applications, supplements & more information about the City of Mesa are available at www.cityofmesa.org or apply to: City of Mesa Personnel, 200 S. Center St., Bldg. #1, P.O. Box 1466, Mesa, AZ 85211-1466. Call for information: (480) 644-2365.

City of Mesa respects, values & welcomes diversity in our workforce. To this end, we encourage all interested people to apply.

TRAFFIC SUPERINTENDENT
Lenexa, KS
Salary $44,500+DOQ

The City of Lenexa (Suburb of Kansas City) is accepting applications for a Traffic Superintendent responsible for the planning, organizing and directing of the traffic maintenance operations, street lights, traffic signals, traffic signs, and pavement markings, of the Public Works Department. Duties include supervising traffic maintenance staff, scheduling maintenance activities, coordinating and inspecting construction projects, developing specifications for acquisition of related materials and equipment, monitoring inventory, coordinating purchasing, and closely working with other city agencies. This is a working supervisor position and may require responding to emergency calls including snow removal.

The qualified candidate will have a high school diploma or GED, and six years of experience in traffic systems management, including two years of supervisory experience, or an associate of science degree and four years of experience in traffic systems management, including two years of supervisory experience. Certification of IMSA Level II in Signs and Markings and IMSA Level II in Traffic Signals, or ability to obtain within one year. Must have a valid CDL driver’s license, or the ability to obtain within six months of employment. The City of Lenexa’s Public Work’s department is an accredited operation through APWA.

Salary is $44,500+DOQ with an excellent benefit and retirement package. Send resume or apply in person at Lenexa City Hall, Human Resources, 12350 West 87th St Pkwy, Lenexa, KS 66215. This position is open until filled. Full job description can be viewed on the City of Lenexa website: www.ci.lenexa.ks.us/EOE
