

ATTENTION IMSA MEMBERS!

WIN A 3-NIGHT 4-DAY CRUISE!

Beginning July 1, 2006, you will have an opportunity to win a 3-Night, 4-Day Cruise by participating in our 2006-2007 Membership Campaign.

Step up to bat and hit a home run! Here's how—

- For every new member you recruit between July, 2006 and June 30, 2007, your name will be placed in a drawing for the cruise. Recruit two new members – and your name will be placed in the drawing twice; three new members, three times. You get the idea – every time a membership application for a new member is received in the office with the accompanying dues payment, and your name is on the line “Recommended By”, your name will be entered in the drawing. Remember – the dues payment must be submitted with the membership application.
- Hit a home run by recruiting 15 or more members and win a special jacket and more chances to win the cruise.
- The individual who recruits the most new members will receive an iPod.
- All new members who join between July 1, 2006 and June 30, 2007 will have a paid-thru date of December 31, 2007.
- Each new member to receive flyer in new membership packet regarding Membership Campaign so they too may be involved.
- Get to first base by recruiting one to four new members – win an IMSA travel mug and 1 to 4 chances for the cruise.
- Run to second base by recruiting 5 to 9 new members – you will receive a baseball cap designed for this membership campaign and increase your chances to 5 to 9 for the cruise.
- Get to third base by recruiting 10 to 14 new members and win a baseball jersey and increase your chances to 10 to 14 for the cruise.

Travel mugs and caps will be awarded when earned. Jerseys, jackets and cruise will be announced and awarded at the 2007 Conference in Louisville, Kentucky. You don't have to be present to win.
