IMSA Journal

We Are Looking For...

As we celebrate our 125th anniversary, IMSA is looking to broaden and enhance our legacy *Journal*. We want our industry members to have a place to share and highlight their work and tell their stories. We also want to showcase member photos, on the job or personal, with their peers. Let us do an IMSA Member Spotlight on your business or municipality. Send your stories, photos and more to [Kim Dresser](#) to be included!

Read the Journal On-Line

A reminder that IMSA members can enjoy the electronic edition of the Journal with clickable links. Want access? [Sign in](#) and become a member right from your profile.

2021 IMSA *Journal* Advertising Opportunities

Our 2021 advertising opportunities are still available. The public safety industry is an essential workforce still purchasing products and services for their day to day operations. We have a variety of advertising and exposure opportunities to get you noticed by our 8,800+ members. See what is still available by [emailing](#) us. [Learn more](#) from our media kit.

Product Spotlight

Polara launches **PEDAPP®** Free Pedestrian Smartphone Crossing Supplement & Touchless Button Actuation Feature into iNS APS

- Allows visually impaired and all pedestrians to actuate button from phone via bluetooth wireless technology
- Available for iOS (Apple) and Android
- Supplements existing iNS APS by providing programmable audible intersection crossing information—location, directionality, walk, don't walk, and pedestrian clearance
- Works with “text to speech” technology built into smartphones
- Visually impaired pedestrians and sighted pedestrians can choose levels of use based on their needs/wants. Basic “sighted” setting available for quick touchless actuation
